

Impact G3 Terrace Door

G3 and G3 Lite FGW Framing, Head, and Sills

SI33000THP

Series SI33000THP thermally enhanced, impact G3 terrace door is designed for use in commercial and residential applications where doors will exceed 3' x 8'. SI33000THP offers exceptional air, water, structural, and thermal performance in any condition. Multiple sill options and profile dimensions provide greater performance and design flexibility. For projects outside the tested scopes, a one-time engineering evaluation may be applicable.

Additional configurations are available.

Features:

- Multiple HVHZ tests - FL# 13407.X
- Thermally enhanced utilizing thermal strut
- Operable hardware custom manufactured by Solar Innovations, Inc.
- Zero-maintenance corrosion proof extruded aluminum hinge with Stainless Steel pin
- Panel assemblies, including hardware and trollies, designed to minimize and simplify maintenance
- Multiple hardware styles and finishes
- Accommodates monolithic and insulated impact glazing
- Standard finishes: AAMA 2603
 - Hartford Green, Bronze, Black, Natural Clay, White, Sandstone
- In-swing or out-swing operation
- LEED friendly system including recycled content
- Designed and manufactured in the U.S.A.

Options:

- Fixed transoms and sidelites
- Integrated swing doors: single or double
- Custom finishes
 - Class I anodized: Dark Bronze, Clear
 - Powder coat finish: AAMA 2604-2605
 - Fluoropolymer (50% or 70%): AAMA 2604-2605
 - Veneer and cladding options
 - Dual color or dual finish options
- Large missile impact tested
- SDLs and decorative interior/exterior grid options
- Panic hardware, door limiters, and door closers
- Screen options: folding, sliding, retractable
- Multiple sill designs, including ADA compliant ramps
- Factory installed sill drain tubes, if required
- Designed to accommodate almost any monolithic, insulated, laminated, or decorative infill
